COMMUNICATION CLAIMING LOSS OF SMALL ENTITY STATUS

Sir:

In connection with the above-identified patent application, Patentee hereby advises the U.S. Patent and Trademark Office that the above-identified patent is no longer entitled to claim Small Entity Status. The undersigned attorney requests that the U.S. Patent and Trademark Office update the records regarding this application.

Patentee also advises the USPTO that the loss of Small Entity Status occurred prior to the payment of the maintenance fee for this patent on July 29, 2009, although a Small Entity maintenance fee was paid in error and without deceptive intent. Accordingly, a separate paper authorizing payment of the maintenance fee shortfall is being forwarded herewith.

Respectfully submitted,
